

Tourism EXPO Japan 2019 in Osaka!!

Date: Thursday, October 24 to Sunday, October 27, 2019

Venue: INTEX OSAKA

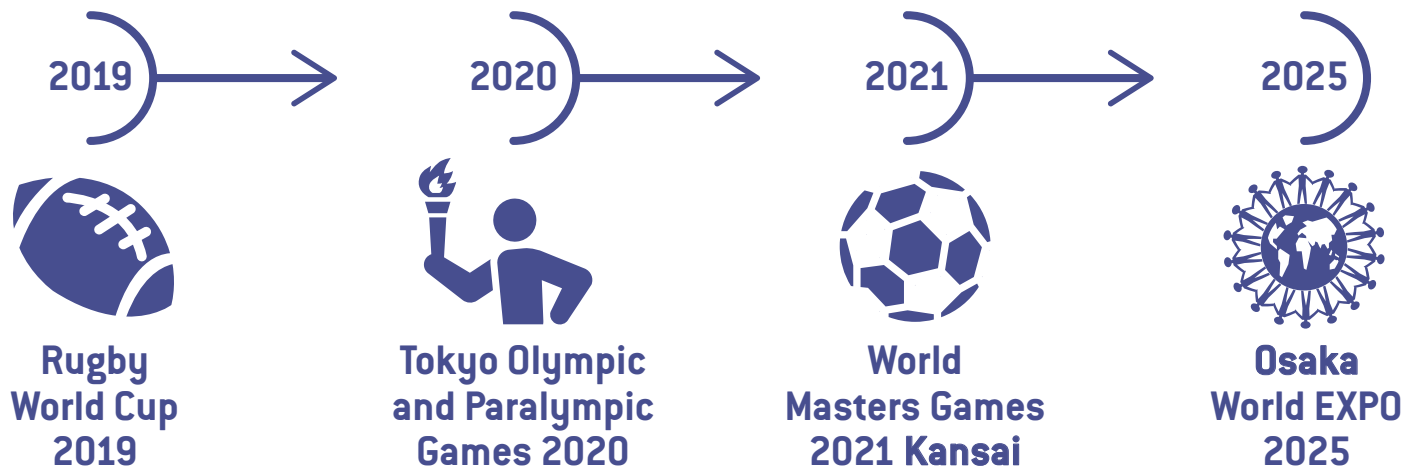

Kansai International Airport

International passenger flight networks at Kansai International Airport

The number of international passengers departing from Kansai International Airport in the first half of fiscal 2018 increased 12% from a year ago. Since airlines operating long-haul flights plan to add new services in fiscal 2019, demand in the Kansai region is expected to grow and further stimulate demand for outbound travel in the future.

Potential of the Japanese Market

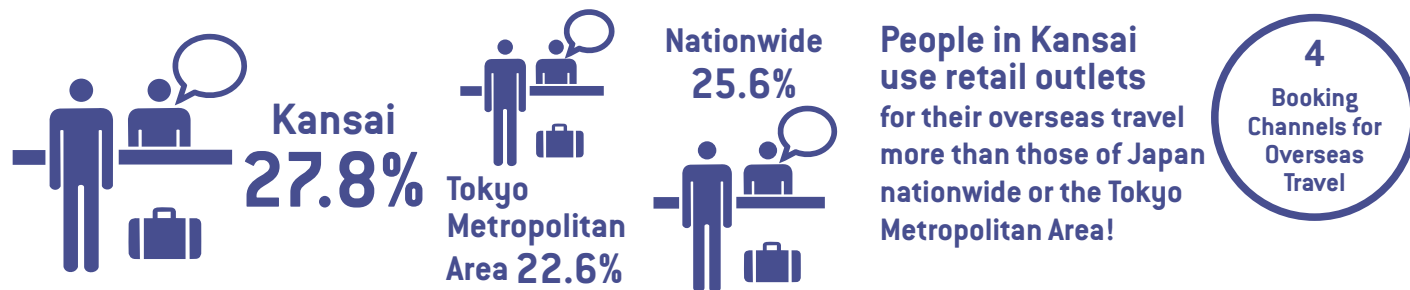

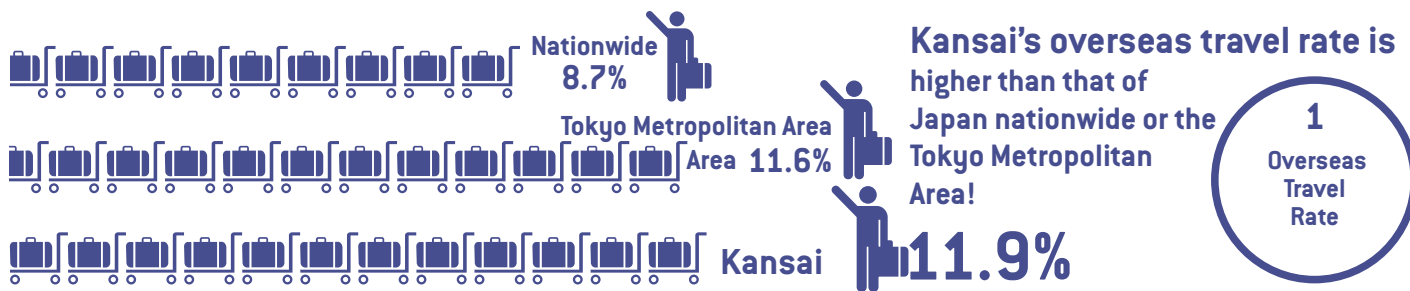

Hosting Major International Events.

With Initiatives for Integrated Resorts and Infrastructure Development

Rapidly Progressing!
